

Manish Shah

Pune | manish.shah@paritypartners.example | 8 yrs

Senior Consultant with 8+ years building qa systems across clinical data platforms and clinical data platforms. Core strengths: Go, test automation, Playwright, Python. Has led delivery for regulated and high-scale clients, owning architecture, testing, CI/CD and mentoring. Comfortable in distributed, async teams and working directly with clients. Skills: Go, test automation, Playwright, Python.

Qa Engineer, SkyRoute Airlines (2023 - 2026). Introduced CI/CD, trunk-based development and automated tests; deploys went from weekly to daily. Led incident response and on-call for a high-throughput service (500k+ daily orders). Cut error rate by 35% by reworking the Go layer and adding caching and async processing. Designed and ran Playwright/Go microservices for SkyRoute Airlines's booking and network platforms platform, owning them from design to production. Built infrastructure-as-code and observability (dashboards, alerts, SLOs) for the platform.

Qa Engineer, Greenleaf Grocers (2020 - 2023). Introduced CI/CD, trunk-based development and automated tests; deploys went from weekly to daily. Cut build time by 40% by reworking the Go layer and adding caching and async processing. Hardened security and access control for Greenleaf Grocers, including audit logging and secrets management. Mentored 3 engineers and ran internal guild sessions on Python.

Qa Engineer, Sterling Mutual (2018 - 2020). Cut infra cost by 30% by reworking the Go layer and adding caching and async processing. Partnered with the Sterling Mutual product team to shape the roadmap and de-risk delivery. Introduced CI/CD, trunk-based development and automated tests; deploys went from weekly to daily. Led incident response and on-call for a high-throughput service (1M+ daily requests).

Selected projects: Re-platformed the onboarding service using Python and Playwright (1M+ users). Re-platformed the onboarding service using Go and Python (1M+ users).

Education: B.Tech Information Technology, PES University
